UTAH
LIFE ELEVATED

 Exclusively for readers of RiDE, this week-long adventure takes you to some of the highlights of the western US. Your Harley will take you through Arizona, Nevada and **Utah**, from the vibrancy of Las Vegas, to the solitude of the Mojave Desert, from a sunset at the Grand Canyon to the mystic appearance of Monument Valley.

Ride through the hairpin turns at Zion National Park before you hit the gaming oasis of Las Vegas again. Absorb the smells, the climate, the feel, and you quickly begin to understand the magic of the place.

The itinerary has been organised specially for RiDE by *H-C Travel*. The tour runs from June 16-24.

DAY 1 UK to Las Vegas

We'll meet you at the airport and take you to our hotel, the Monte Carlo, right on the Strip. After you've checked in, we'll have a quick get-together and our guides will give you a few more details about how the tour is organised and what you can expect. Afterwards you're free to hit the casinos – or maybe just hit the sack.

DAY 2 Las Vegas to Kingman 190 miles

We pick up our bikes at Arlen Ness's dealership and head south to the Hoover Dam, then along the banks of the Colorado River, to Route 66 and Oatman, Arizona for a taste of the old Wild West.

DAY 3 Kingman to Grand Canyon 185 miles

We'll arrive at the Grand Canyon early enough to take a ride into the park to see the amazing sunset. You can take a helicopter flight over the canyon too.

DAY 4 Grand Canyon to Page 145 miles

We head along the South Rim of the Grand Canyon and approach the semi-autonomous Navajo Nation, then run into Page in time for slot canyoning.

DAY 5 Page to Monument Valley 125 miles

We visit the Glen Canyon Dam and Lake Powell, a 179-mile-long reservoir. Then through the Navajo Nation, to the Monument Valley Tribal Park.

DAY 6 Monument Valley to Bryce Canyon 310 miles

The longest day of the tour, taking in the Mexican Hat Monument, into the Vermillion Cliffs, to the top of the Colorado Plateau.

We glide through Glen Canyon National Recreation Area to Hanksville, through Capitol Reef National Park, then over Boulder Mountain in Dixie National Forest, then to our hotel at Bryce Canyon National Park.

DAY 7 Bryce Canyon to Las Vegas 250 miles

After breakfast we ride into the park for a look around and an optional short hike down into Bryce Canyon. We then cruise through Red Canyon State Park, through picturesque valleys to Zion National Park. We arrive back in Vegas in the early evening. After a Farewell Dinner, the night is yours.

DAY 8 Las Vegas departure

This afternoon we'll take you back to the airport for your flight home, arriving in the UK the following day.
